

Docket No.: P 276845  
(2182.010A)

**REMARKS**

Claims 1-55 were presented at the time of filing and are currently pending in the application. The Office Action states that the application is subject to restriction between two groups of claims, which are defined as:

I. Claims 1-18 and 33-50, drawn to an apparatus and method for measuring air, classified in class 604, subclass 67.

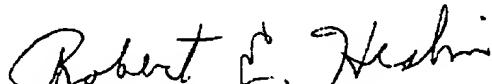

II. Claims 19-32 and 51-55, drawn to an apparatus and method for measuring pressure of a sample fluid, classified in class 128, subclass Dig. 13.

Applicant traverses the restriction requirement stated in the Office Action.

For prosecution in this application, Applicant hereby elects the invention of Group II. This action is without prejudice to Applicant's right to pursue the subject matter of the non-elected claims in related applications.

Should any questions arise in connection with this Application, Applicant's Attorney can be reached at the below-listed telephone number.

*Respectfully submitted,*
